

**Local parish councils should be given more  
POWER to address concerns about road safety**

## **Nick Timothy's Road Safety Petition**

*Dear Resident*

With the Government reorganising local councils, and Suffolk moving to a unitary model, I think it is important we make sure local communities get stronger powers to decide things for themselves.

And in so many villages across West Suffolk residents tell me they are frustrated by their inability to change speed limits or have traffic-calming measures and speed cameras established where they know there are problems with speeding cars and trucks. This is why I am calling for parish and town councils to have the freedom and financial power to:

- **Change speed limits**
- **Erect suitable signs**
- **Introduce traffic-calming measures**
- **Establish speed cameras**

If you agree, and if you want to tell me about the challenges of road safety where you live, please sign my petition, or get in touch at [office@westsuffolkconservatives.com](mailto:office@westsuffolkconservatives.com). And please do send this on to anybody in West Suffolk who wants a greater say in the safety of the roads where they live.

My best wishes

*Nick Timothy*
